DNR Summer Lake Elevation Expectations - 927.86 feet
Average Lake Elevation - 927.72 feet

LAKE MANAGEMENT PROGRAM

DLSD is continuing efforts to work with 15 property owners to assist with a Healthy Lakes Grant for 2019.

Work will continue on the Brown's channel watershed area weather permitting.

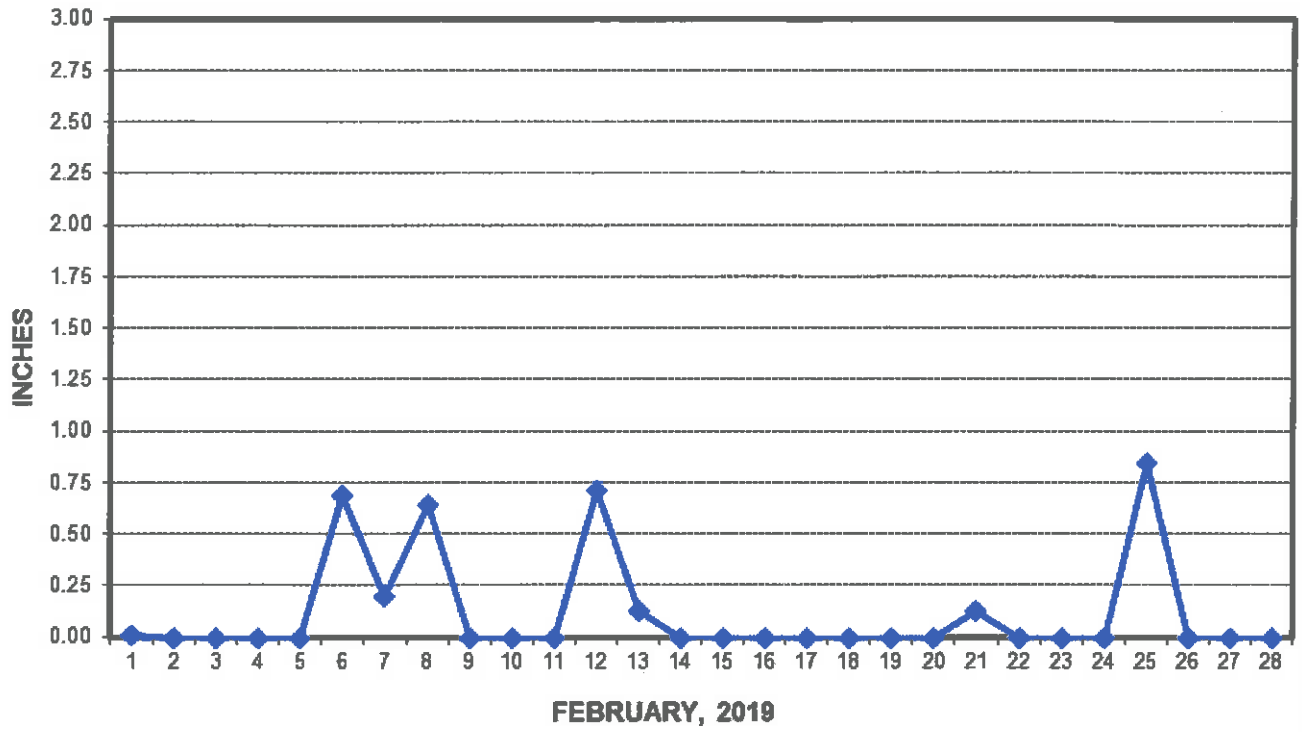

DLSD has pursued a refurbishing grant to assist in the cost to rehab one more Harvester with updated engines and hydraulics for 2019.

Sanitary sewer force main project has been rescheduled for fall and winter of 2019/2020.

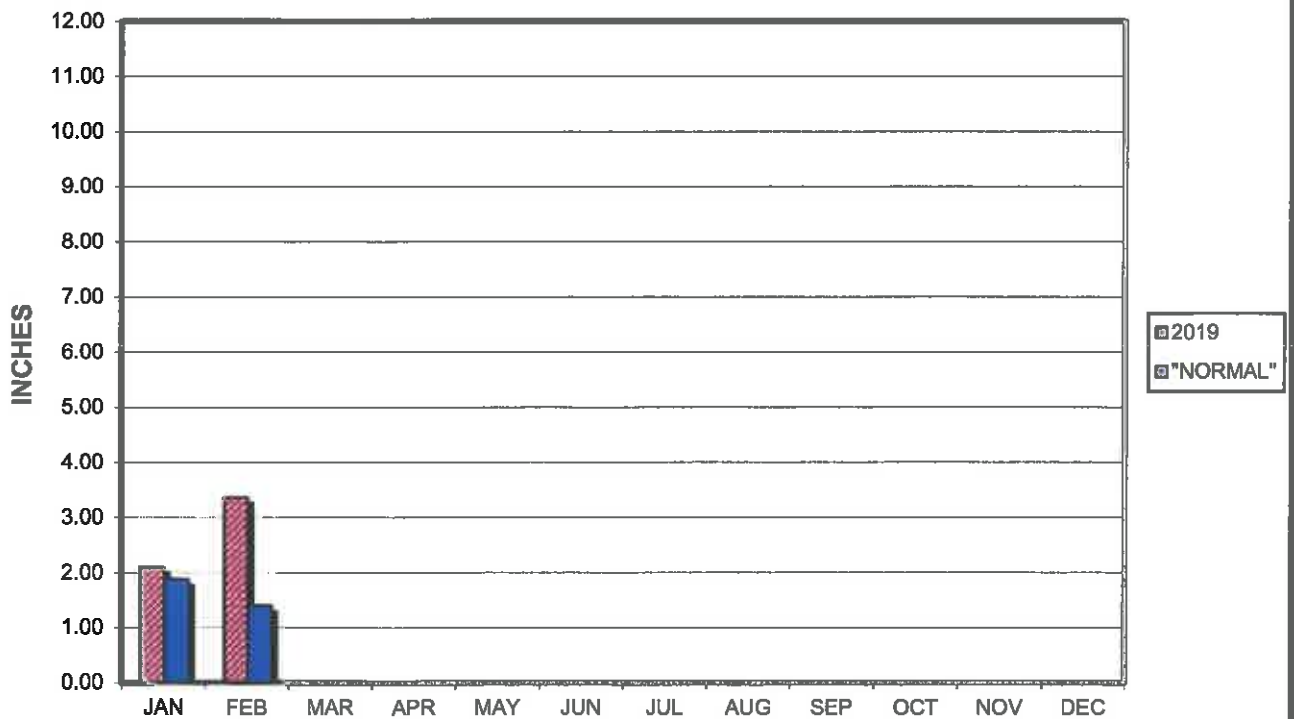

Borg Road Sewer interceptor easement has been cleared to allow inspections and repairs of man-holes and piping.
