Average – 6.3 feet

### LAKE LEVEL

DNR Summer Lake Elevation Expectations – 927.86 feet  
Average Lake Elevation – 927.66 feet

### LAKE MANAGEMENT PROGRAM

Force main project install is completed and now we wait for weather to wrap up landscaping.

Lift Station #6 control panel and generator are replaced.

Staff reviewed and added additional precautions when dealing with sewage to satisfy Coronavirus concerns.

City of Delavan approved the development site plan for Lake Lawn Lodges proposed housing project.

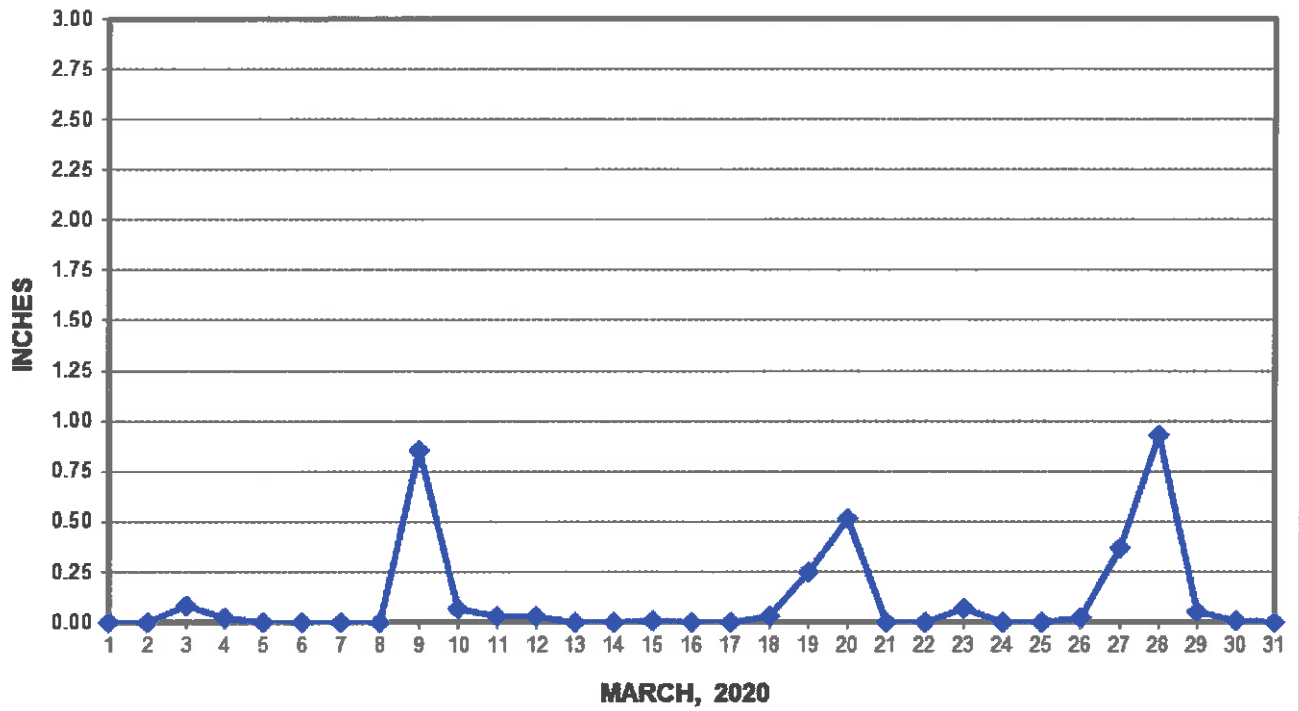

All training conferences in March, April and May have been canceled.

Research on dredging operations in progress.

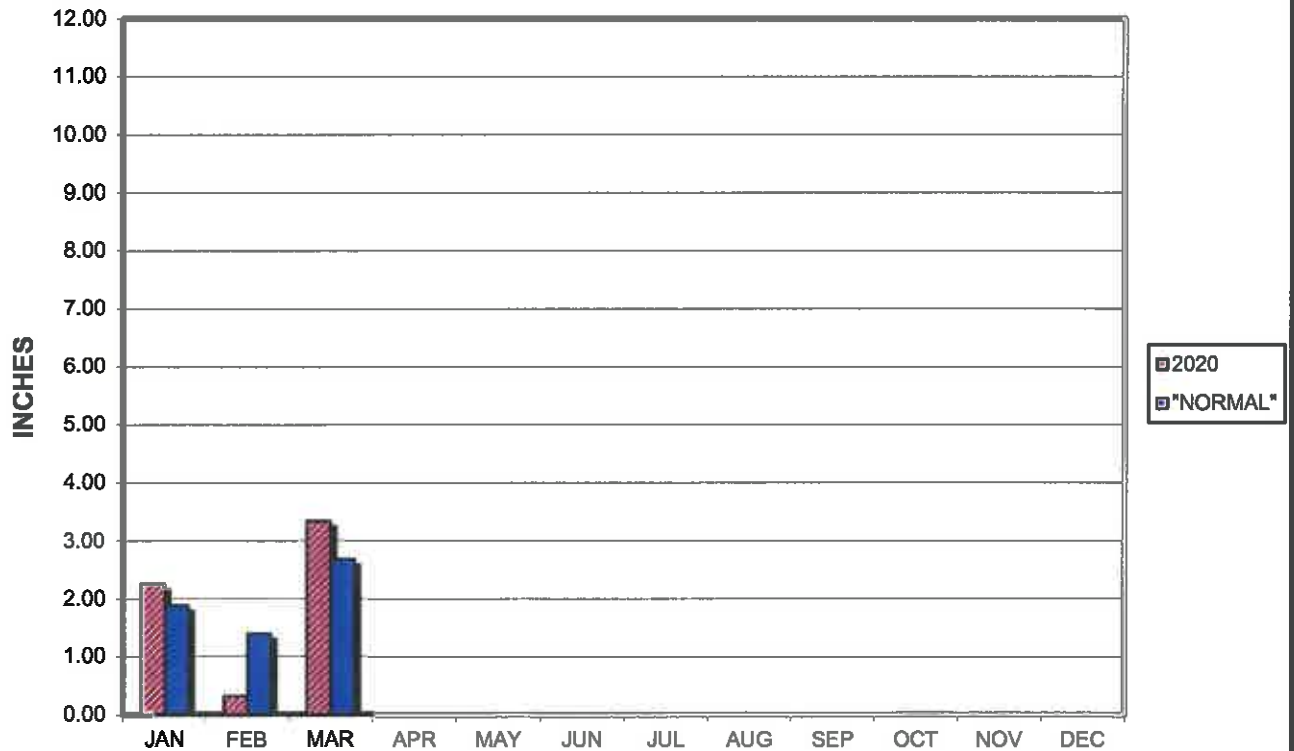

COVID-19 related safety concerns have caused DLSD offices to now be closed to the public. One on one meetings are by appointment only between the hours of 10AM and 2PM with proper pre-cautions.
