

MEMO

TO: Town of Delavan Lake Committee
FROM: Delavan Lake Sanitary District
RE: DLSD Lake Management Activities for November
DATE: December 2, 2024

LAKE MONITORING RECORDS

November Precipitation – 2.24 inches
Number of Run-off events – 1
Precipitation Year-to-date – 37.84 inches
Ice On Date – January 15, 2024
Ice Off Date – February 27, 2024

November Secchi Disc Readings: Maximum – 12.0 feet
Average – 12.0 feet

LAKE LEVEL

DNR Summer Lake Elevation Expectations – 927.86 feet
Average Lake Elevation – 927.83 feet

LAKE MANAGEMENT PROGRAM

Weed Harvesting has ended for the season.

We finished with a record harvest this year with 8,028 cubic yards removed from the lake, which equates to 1,204 LBS of phosphorous removed.

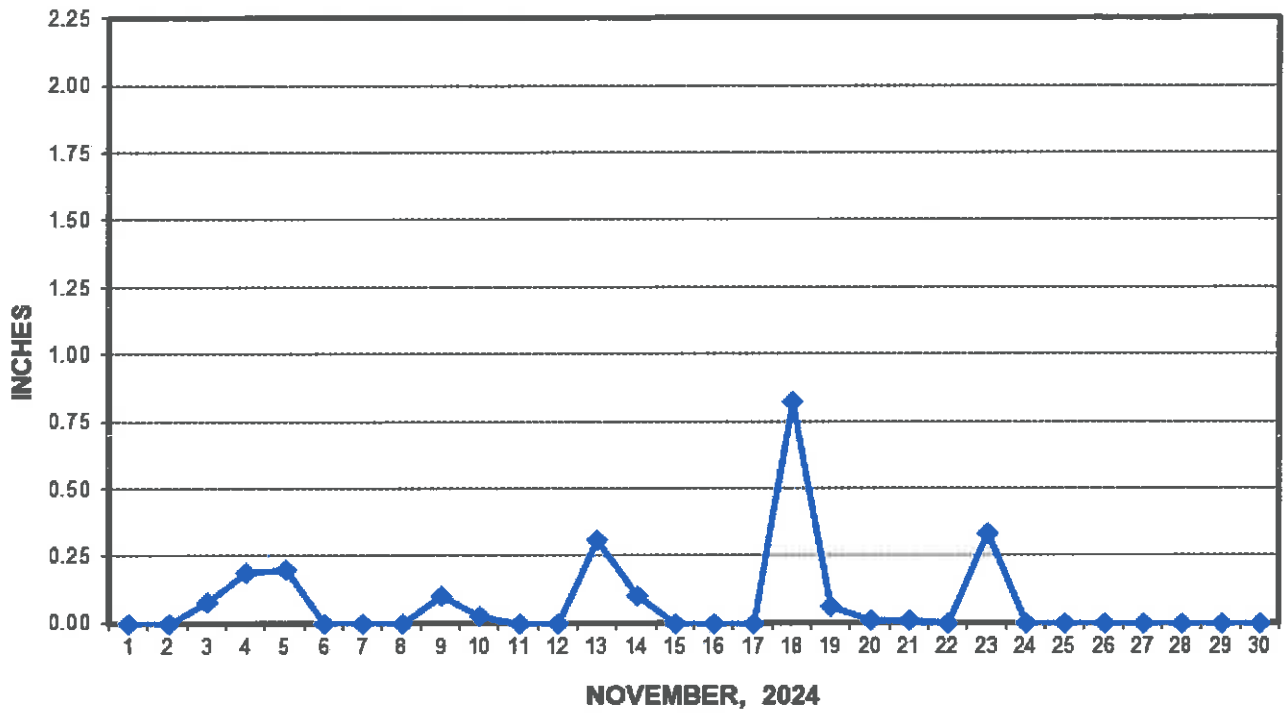

Winter maintenance has begun on all lake equipment.

Lift Station #2A project is completed to the point of just finishing landscaping.

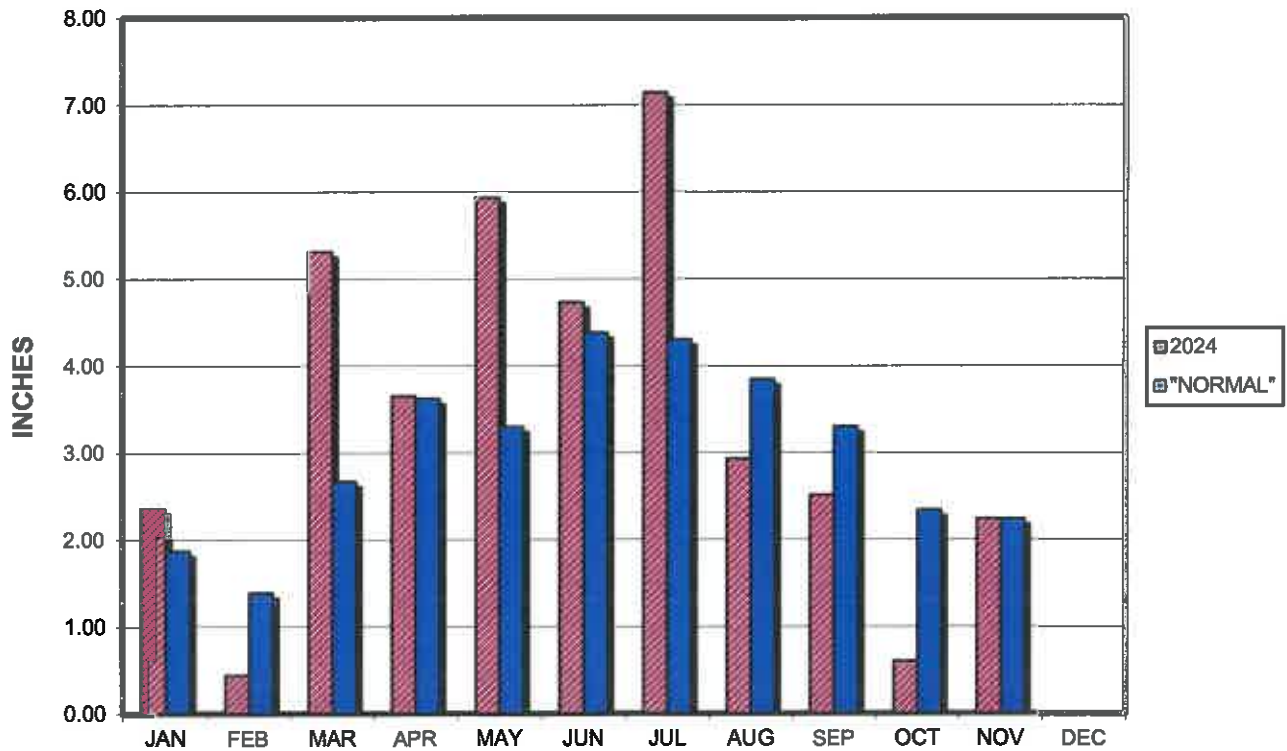

Lift Station #7 replacement is in planning stages.
